

MASW BILLING, REFUND AND CANCELLATION POLICIES

REGISTRATION CONFIRMATION

While you will receive an invoice upon completion of your registration, your spot in the class is based upon availability at the time of sign up. Since registration takes place in many ways (online, call-ins, faxes, mail and emails) it is not possible to have the web page display "real time" registration totals for class availability. All class sign-ups are accepted in the order (by time and date) that they are received. If you register for a class that is sold out you will be contacted by one of our staff within a few days of your registration to notify you of the conflict. We are terribly sorry for any inconveniences that might occur. Thanks for understanding...

MATERIALS

Supplies, such as sandpaper, glue, dowels, biscuits, screws, and small amounts of copy paper, will be provided at no extra cost UNLESS OTHERWISE STATED. If there is no materials fee listed with your class choice, then you will be responsible either to bring your own wood or to purchase it at the school after you arrive. If your class requires that you bring pre-dimensioned materials, a cut list will be sent either by email or by regular mail. Tool lists will be available online as they become available.

Walnut, cherry, poplar, maple, and oak will all be available in 4/4 and 8/4 thicknesses. Veneers, plywood, particleboard, and specific hardware will also be sold, but must be ordered ahead of time. Please note that some classes have extra fees to cover the expenses of class projects and specific practice materials. These fees cannot be substituted or waived.

It is important that you bring your own personal safety protection gear, such as safety glasses, dust mask, and earplugs. **BE SURE TO BRING ONLY DOMESTIC WOODS WITHOUT SPALT, ROT, BUGS, NAILS, OR ANY FUNGUS.**

TUITION

Most weekend classes are priced between \$130 to \$375, depending on the length of class and the number of participants. Some weekend classes will also require an additional materials fee. **All Saturday and Sunday classes start at 9 a.m.** and will include lunch. There is a \$50 deposit for each one-day class and a \$125 deposit on a full-weekend class upon registration.

Full-week classes (Monday through Friday) are still at the very reasonable price of just \$725 and will include lunch every day. **Each full-week class starts at 8 a.m.** and requires a paid deposit of \$300, which confirms your spot in the class. The two-week classes cost \$1,500. During the two-week Apprenticeship class, the shop is not open on

Saturday or Sunday because of interference with the weekend classes. All classes longer than one week require a deposit of \$400, which confirms your spot in the class. Please note that some classes have additional fees to cover class materials, the amount for which is included in your final billing. You will be sent a final bill approximately 30 days before the start of class. Tool lists will be available online unless your class has a specific cut list. This information will be mailed to you. Keep in mind that all classes are on a first-come, first-served basis.

Each student will be responsible to read and fully understand and accept the registration process including the annual non-refundable registration fee and the cancellation policy before signing up. Class availability on the web page will be updated as often as possible, but no registrations will be "official" until your credit card has been manually processed (on or after January 1st).

HOTEL MASW RESERVATIONS

NONREFUNDABLE REGISTRATION FEE

There is an annual, nonrefundable registration fee of \$45. **THIS REGISTRATION FEE IS NOT A PART OF THE CLASS FEE AND IS NOT DEDUCTED FROM THE FINAL BALANCE DUE.** This is the financial binding that locks you into the class and starts the registration process.
