

## **DESIGN: THINKING CREATIVELY WITH JOHN ECONOMAKI**

May 14-18, 2012

### **TOOL LIST:**

This class has a very simple tool list. Bring your boundless sea of creative ideas. John will supply the rest. You can bring any drafting or lay-out supplies or material you feel you will need. However the school will provide all the supplies you will need. Here is a list of possible supplies to bring.

1. Mechanical pencils and erasers
2. 24: straight edge
3. Drafting tape or ¾" masking tape
4. Compass, protractor and French curves
5. Razor knife
6. T-square and a triangle
7. Some colored pencils
8. Black fine tip felt pen
9. Safety equipment: safety glasses, dust masks and ear plugs
