BOWL BASICS MAY 18-19, 2019

Student Tools List

Tools Used in Class:

The following tools are used the most in the class and are essential for students.

- Bowl Gouges – 3/8" & up
(One at least for the 40/40 grind and one for a bottom bowl gouge grind)
- Skew Chisel – any size
- Spindle Roughing Gouge – any size
- Face Shield with a Z87+ rating

The following tools are not essential for the class and Stuart has some of these available to borrow during the class

- Spindle Gouge – 3/8" is best but bring any you have
- Parting Tool – any size
- Beading and Parting Tool – this is a 3/8" square chisel
- Negative Rake or Conventional Scrapers – any size or shape

Please email Stuart if you have any question prior to the class.
