

Forging Your Own Mytho-Northern Knife
October 14-18, 2019
Forging Your Own Epic Integral Knife
October 19-20, 2019
Both with David DelaGardelle

Tool List for both classes:

- Safety glasses
- Gloves, comfortable thin leather ones with good dexterity (not bulky heavy welding gloves) as well as rubber gardening gloves work fine.
- Hammer, 1 1/2lb to 3lb (Whatever is most comfortable for student) Must have wooden handle! No cheap metal or plastic/rubber handles.
- Tongs, 1 pair "Centaur 7/8 Heavy V-Bit Bolt Tongs, 14 Rein Length"
Link to purchase: <http://tiny.cc/fnhm0y>
Some tongs will be provided by David if student does not wish to purchase their own, but not guaranteed to be available.
- Sketchbook with pens/pencils for you to do design prep-work before forging your blade.

- Cash or check to pay directly to David to cover costs for steel

October 19-20 Forging Your Own Epic Integral Knife:
\$90 material fee payable to David

October 14-18 Forging Your Own Mytho-Northern Knife:
\$40 to \$200, depending on the materials chosen by the student
payable to David at the end of the class.
