

THE SPOKESHAVE: A SIMPLE TOOL TO CREATE THE TRUEST OF FORMS
WITH STEPHEN PROCTOR
April 13-14, 2019

Tool list

Record 151 spokeshave, and or Record A151 spokeshave. Flat bottom.
Hock replacement blade(s) for the spokeshave. This is thicker than the original and better.

Set of diamond honing stones. Coarse, medium, and fine.

Single cut mill files. One very thin, one for getting into the mouth.

Any other spokeshaves you may have for comparison sakes.
