

FOR BOTH OF BJORN RETTIG'S CLASSES:
INTEGRATING CNC INTO YOUR
WOODWORKING

October 21-25, 2019

And

BUILDING A DECORATIVE BOX WITH AN
INLAYED TOP USING CNC

October 26-27, 2019

These are bring your own wood class(es).
Bjorn will not have the materials available for
the students until March, 2019.

He will be in contact with all students who
have enrolled in his class(es) once he has
assembled the materials and tool list.

Direct all questions to Bjorn at
bjorn@rettig.com
