

Constructing with Corrugated Cardboard with Jason Schneider
July 15-19, 2019

Student Tool List/Supply List:

Merlin 2" grinder from King Arthur's Tools (see attached)

Drills with sanding pads with 2" and 3" soft pads

1 - 5 in1 tool

1 - 4" tape knife

1 - Utility knife

1 - Sharpie

Pencils and notebook or sketchbook

Apron for gluing and finishing

Smock or button up shirt for turning

Turning tools:

3/8" spindle or detail gouge (best for turning cardboard)

Note, if you have more than one bring them - they get dull fast.

1/2" spindle or detail gouge (also works well for turning cardboard)

Note, if you have more than one bring them - they get dull fast.

Sanding supplies and grinders

Face Shield with a Z87+ rating. The school has some for purchase.
