Student Tool List

- Safety glasses
- Hearing protection
- Tape measure/ruler
- Shop apron, if desired
- Pencils for woodwork
- Layout tools such as squares if desired, but not required
- Note pad, pens or other for note taking
- Camera, if desired, to grab pics of class activities

Optional items; handy if you bring them, but not imperative. Do not run out and buy these things just for the class.

- Kreg jig
- Cordless drill
- Drivers for cordless drill
 - #2 square
 - #2 Phillips
- Glue scraper
- Mallet or dead blow hammer
