

Build an Arts & Craft Style Hammered Copper Lamp  
With Joe Mross  
May 11-15, 2020

**STUDENT TOOL LIST:**

- Planishing (Texturing) hammer (a medium ball peen hammer could be shaped and polished to work if you can't find one)
- Small plastic/rubber hammer
- Rubber mallet
- Medium C-clamp
- Non-serrated snips (left and right offset aviation snips ideal)
- Files, medium size: flat, triangle, round
- At least two small/medium vise-grip locking C-clamps (with swivel pads)  
**Recommend: Locking C-Clamp, 9", 4-1/2"Cap, 4-3/4"Throat**
  
- Blue masking tape
- 12" combination square
- Sharpies: one ultra-fine, one regular
- Straight edge
- Sketchbook/notepad
- Pencils
- Dust mask
- Disposable Nitrile gloves
- Safety glasses
- Non-synthetic work clothes for fire safety
- Basic medium rough use hammers (non-polished ball peen)
