

**MAKE A TEA POT WITH JOHN JORDAN**  
**May 16-17, 2020**

**Students should bring:**

Bowl gouge

Detail gouge

Any hollowing tools they have, but don't buy any without checking with me first.

Any hand or powered carving tools that may be useful. Again don't buy any without checking with me.

I will have some extra carving tools and students are welcome to use any of my tools, but there won't be enough to supply the entire class.

Finished and/or problem pieces.

Any other favorite tools or supplies that you like to use.

Books, photos/images, drawings, objects-most anything of interest that may help, or inspire one's work.

Face Shield with a Z87+ rating. MASW often has the correct face shields for sale at the school.

Hearing protection

Dust protection
